## **Section 1 - General Specifications**

- 1-1. All bids must be submitted on official forms (attached hereto), sealed, labeled "Transportation Bid", and delivered to the Office of the Superintendent of Schools, 51 North Street, Georgetown, Massachusetts 01833 prior to February 11, 2015, 10 a.m. Awarding of the contract will be at a later date by the Georgetown School Committee.
- 1-1A. Bids are to be accompanied by a Bid Deposit in the amount of \$25,000. Such Bid Deposit must be in the form of a certified, treasurer's, or cashier's check payable to the Town of Georgetown from a responsible bank or trust company, or a bid bond from a surety company licensed in Massachusetts.
- 1-2. To qualify to bid, the bidder must have at least seven (7) years experience with one or more bus contracts with a minimum of ten (10) operating buses.
- 1-3. The competency, responsibility, experience, references and financial standing of the bidders will be considered in making the award.
- 1-4. The School Committee reserves the right to investigate the financial responsibility of any and all bidders to determine the ability of the Owner (Contractor) to assure service throughout the term of the contract.
- 1-5. The School Committee reserves the right at its sole discretion to reject any or all bids, wholly or in part and to call for re-bids, if the School Committee deems it to be in the best interest of the Georgetown School Department.
- 1-6. The bidder to whom the award is made shall enter into a written contract with the School Committee and the requirements set forth in these specifications shall be considered binding and a part of the contract with the successful bidder.
- 1-7. A bidder submitting a bid thereby certifies that the bid is made in good faith without fraud, collusion, or connection of any kind with any other bidder for the same work; and that the bidder is competing solely on his/her behalf without connection with, or obligation to, any undisclosed person or firm.
- 1-8. Except where specifically limited by this contract, the bid price shall be construed to cover all costs incurred by the bidder to perform the work required by the contract.

- 1-9. BID SUBMISSION FORM Prices shall be based on total regular routes as designated in Section 9. Separate bids for individual routes will not be accepted.
- 1-10. In addition, the Contractor shall, during the period of the agreement, provide transportation for all students or other authorized personnel as may be required by the School Department for field trips, excursions, athletic activities, or other purposes designated by the Superintendent, with compensation for such extracurricular trips as noted in Section 7-4.
- 1-11. The successful bidder shall designate, subject to approval of the Superintendent of Schools, after the award of the contract and not later than thirty (30) days before effective date of the contract, a particular staff member by name and position who shall be assigned to coordinate transportation arrangements under the contract and to carry out instructions submitted by the Superintendent of Schools from time to time. Said person must have successful experience in school transportation or its equivalent.
- 1-12. The Superintendent of Schools or his designee shall have the exclusive right to make such revisions in the number of buses and in the number of routes required including increasing and decreasing the mileage of each route required to best suit the needs of the Department at any time before or during the duration of the contract. Such revisions shall be deemed an ordinary part of this contract. As specified in Section 9 of these specifications, additional buses and additional routes may be added to the contract and all provisions of the contract shall apply to the additional buses and routes.
- 1-13. The Superintendent of Schools shall have complete authority over the Contractor and drivers in all matters pertaining to school transportation, except where specifically limited by the terms of this contract. In this regard, the Superintendent of Schools may at his/her discretion audit the Contractor's performance at unspecified intervals to determine compliance with all aspects of the contract.
- 1-14. Assignment or subletting of the Contract, or work, or assignment of money due or to become due shall not be made without the written consent of the Superintendent of Schools.
- 1-15. Should the Contractor fail to comply with any of the terms or conditions set forth in this agreement, or should the School Committee, in its sole discretion, determine that the Contractor is unfit, unqualified, or unable to perform all of the transportation needs of the District under the Contract,

then and in the event upon ten (10) days written notice to the Contractor, the Agreement may be terminated and the School District may seek any other relief to which it may be entitled.

- 1-16. No bid shall be withdrawn for a period of sixty (60) days from the date of submission.
- 1-17. In addition to any other rights, the School Committee shall have the right to terminate this contract upon the dissolution, termination of existence, insolvency, assignment for the benefit of creditors, or the commencement by or against the contractor of any proceeding in or for bankruptcy, receivership, reorganization, insolvency, or dissolution.
- 1-18. Upon termination of this contract, the School Committee may, in addition to any other rights it might have, employ another contractor to complete the terms of this agreement, and hold the Contractor herein responsible for any extra or added expense, loans, or damages suffered by the Georgetown School Committee.
- 1-19. The Contractor shall agree to indemnify the Georgetown School Committee and the Town of Georgetown for any loss that it may sustain from any performance of this agreement by the Contractor.

## **Section 2 - Contractor Responsibilities**

- 2-1. The Contractor shall be paid via ten (10) equal payments on a monthly basis commencing with the School Department's first vendor warrant each September and ending in June.
- 2-2. The Contractor shall be expected to make provision for such spare equipment as shall be necessary to provide for the delivery of services stipulated in the contract.
- 2-3. The Contractor shall permit school buses to be operated only by trained and competent drivers who hold valid licenses for the operation of school buses in the State of Massachusetts.
- 2-4. The Contractors shall provide all training necessary to meet existing statutes and any laws or regulations in force during the life of this contract.
- 2-5. During the entire term of this agreement, the Contractor shall comply in every respect with all laws, rules and regulations of Massachusetts affecting or regulating the transportation of children, including but not limited to rules and regulations promulgated by the State Department of Education.

- 2-6. The Contractor shall administer a satisfactory safety program for Contractor's personnel and the students being transported. Said program shall include, but shall not be limited to, regularly scheduled safety meetings for the Contractor's personnel.
- 2-7. The responsibility for hiring and discharging personnel in respect to the foregoing shall be that of the Contractor's subject to approval of the Superintendent of Schools. It is expressly agreed that all bus drivers and the transportation coordinator referred to herein are employees of the Contractor. The Contractor agrees that it shall not enter into an agreement or arrangement with any employee, person or group or organization which shall in any way interfere with the contractor's ability to comply with this Agreement. The Contractor further agrees that the Superintendent of Schools shall have the right to demand dismissal from the Contractor's employ any person who, in the Superintendent's opinion, is not qualified or is unfit to act as a transportation coordinator or school bus driver under this agreement.
- 2-8. The Contractor and the Superintendent of Schools or his designee shall prepare a bus transportation schedule including routes, scheduling and student pickup lists based on existing routes. A copy of the present document is included to assist bidders in understanding the nature of the bus routes. The format is to remain essentially the same and is to be presented to the Superintendent of Schools no later than August 1<sup>st</sup> of each year. Final determination of schedules and routes shall be vested solely in the School Committee. Consideration in preparing the schedule must be given to time of pickup, time of arrival at school, number of children on the bus, length of time on bus, and State and Federal law.
- 2-9. The Contractor shall not assign or subcontract, or in any way transfer any interest in this contract without prior written consent of the School Committee.
- 2-10. The Contractor shall appoint a person from the company to work with a designee of the School Department for preparation of routes for the coming school year. The successful bidder shall be capable of supporting the routing system by a computer-generated program to allow for prompt adjustments, corrections, additions or deletions. This system shall be housed at the company's local support facility. The routing system should be completed and in the Superintendent of Schools' Office by August 1<sup>st</sup> of each year for his review and newspaper publication.

The contractor shall have a telephone connection through which the School Department office may make immediate contact with the owner or his/her agent during the hours in which the buses are in operation. The owner or his/her agent shall be available to appear for conferences with

the School Committee or the Superintendent of Schools as necessary and requested at the Contractor's expense.

- 2-11. If for any reason a bus cannot be operated on any school day, the Contractor shall provide suitable insured substitute transportation without additional charge.
- 2-12. The Contractor is, and shall in all events remain, an independent Contractor. Nothing contained herein and no action taken by a Contractor under this contract or otherwise shall be construed as constituting contractor or any of its agents or employees as an agent, employee, or representative of the School Department for any purpose whatsoever. The Massachusetts Department of Labor and Workforce Development has determined that no prevailing wage rate exists for school bus drivers within Georgetown.
- 2-13. The Contractor shall provide written reports of bus counts showing the number of riders on each bus and on each bus trip as well as the bus trip live mileage. These reports will be required to be completed by the bus drivers on two (2) consecutive days in September and at selected times during the school year as may be deemed necessary by the Superintendent of Schools. The Contractor shall also provide the Georgetown School Department with statistics regarding the number of students transported less than 1.5 miles in each direction to school.

### **Section 3 – Equipment**

- 3-1. Buses to be used in fulfilling the terms of this agreement shall not be more than ten (10) years old at any time during the life of the Contract.
- 3-2. All buses provided pursuant to this Contract will have as a minimum the same capacity of seventy-seven (77) except for specialty buses.
- 3-3. All buses to be used in fulfilling the terms of this contract shall conform to the regulations of the Massachusetts Registry of Motor Vehicles, and the requirements of statutes and such other regulatory agencies as may pertain at all times during the life of the contract.
- 3-4. All buses provided pursuant to this Contract shall be equipped with front crossing gates.
- 3-5. The Contractor shall keep all equipment used in the transportation of students in good mechanical order at all times to pass the State School Bus Inspection. Said buses shall be kept clean and in sanitary condition and open to examination by the School Department and its officers at unspecified times.

- 3-6. Written reports of conditions of buses as determined at the time of State inspections shall be presented to the Superintendent of Schools no later than ten (10) working days following the date of inspection.
- 3-7. The Contractor shall operate school buses in such manner and at such speeds as to insure a high degree of safety for the pupils, and shall comply with all State and local laws regarding operation.
- 3-8. All vehicles must be inspected daily before starting out. Daily inspection will include but not be limited to brakes, lights, tires, radiator, oil, gas, and heaters. Daily inspection records shall be maintained and made available to the School Committee on demand.
- 3-9. Buses shall be cleaned daily by sweeping or vacuuming and shall at all times be free of noxious odors. The interiors of all buses shall be washed with a water mixture of detergent and disinfectant during each vacation period.
- 3-10. A regular schedule for servicing all vehicles shall be maintained and shall include but not be limited to oil, grease, tires, battery, brakes, and all safety appliances and accessories. All contractual services, maintenance, management, operational labor, etc., shall be the responsibility of the Contractor.
- 3-11. All vehicles used on regular runs, for special activities, athletic events and field trips are to be equipped at all times with 2-way radios.
- 3-12. All vehicles used under this contract will be principally garaged within Georgetown at an area provided by the Contractor. The Contractor will assume full responsibility and liability there of.

#### **Section 4 - Bus Drivers**

- 4-1. The successful bidder shall file for approval of the Superintendent of Schools, by August 15 of each year, the names, addresses, and telephone numbers of all bus drivers who are to operate buses each year this contract is in effect.
- 4-2. All persons assigned as regular or substitute drivers must be approved by the Superintendent of Schools prior to August 15 of each year. In the event that other drivers or substitutes are hired during the year, notice must be given to the Superintendent of Schools prior to the commencement of work by the bus driver to permit the approval of the Superintendent.

- 4-3. The School Committee retains the right to approve or disapprove all drivers in advance of their commencing work. A driver may be excluded for any cause whatever by the School Committee.
- 4-4. Drivers shall receive physical examinations and documentation of the examinations, including drug tests, shall be presented to the Superintendent of Schools.
- 4-5. All drivers must complete a CORI check as well as a National fingerprint-based criminal background check as prescribed by Massachusetts General Law.
- 4-6. Drivers shall be certified in Standard First Aid/First Responder and CPR. The School Department reserves the right to review said drivers' files kept at the company's local facility at any time to ensure that all requirements for its own, state or federal requirements are being met.
- 4-6. Drivers shall not smoke or carry a lighted cigar, cigarette, or pipe when operating a bus with or without children on board.
- 4-7. Drivers shall be clean and neat in appearance at all times.
- 4-8. Drivers are to remain on the bus at all times when children are aboard unless properly relieved. Drivers shall remain in their respective buses at all times while on school property except in cases of emergency. Drivers shall remain in the immediate vicinity of their buses during the waiting period for all athletic events and field trips.
- 4-9. Drivers shall report all cases of student misbehavior on buses and shall handle all disciplinary matters in strict accordance with District policy.
- 4-10. Bus drivers do not have the authority to refuse any child, who is eligible for transportation, the right to ride the bus or to remove him/her from the bus.
- 4-11. Drivers shall require all passengers to be seated when the buses are in motion.

### **Section 5 - Insurance**

- 5-1. The Contractor shall have in force for each school year the following: General Liability Insurance general aggregate \$5,000,000; personal injury or death \$500,000 per person; each occurrence \$2,000,000; property \$250,000; medical expense \$100,000; and such insurance as will protect the School District, its School Committee, and the successful bidder from claims or damages because of bodily injury, including death, and for claims for damages to property, any or all of which may arise out of, or

- result from, the successful bidder's operations under this contract. Such insurance shall be supplied by the Contractor as part of the Contract, at no additional cost to the School District. A certificate of such public liability insurance must be filed with the School Committee prior to September 1st for each succeeding year of the contract period. Such certificate(s) shall assure that the School Department and the School Committee are named in the insurance policies as additional named insured and shall guarantee thirty (30) days notice to the School Committee of changes to or termination of the insurance.
- 5-2. Worker's Compensation coverage shall be provided by the Contractor for all of the Contractor's employees, and evidence of said coverage shall be filed with the Superintendent of Schools not later than thirty (30) days before each contract year begins. Such insurance coverage shall guarantee thirty (30) days notice to the School Committee of changes to or termination of the insurance.
- 5-3. Within fifteen (15) business days after notice of acceptance of proposal is given or mailed by the School Department to the successful bidder, the Contractor shall deliver to the Superintendent of Schools certificates from the insurer(s) providing the coverage required in paragraphs 5-1 and 5-2 indicating that the insurance policies are in effect.
- 5-3. All bidders will submit with their bids evidence from an insurance or surety company, licensed to do business in the Commonwealth of Massachusetts, and that it will provide the bidder with a performance bond in the amount required herein if the bidder is successful.
- 5-4. A performance bond in the total amount of the annual contract shall be furnished by the Contractor within ten (10) days after the notification of award, and prior to the signing of the contract. The Contractor shall procure and maintain in force said bond from an insurance or surety company licensed to do business in the State of Massachusetts, for the benefit of School Department, conditioned upon the faithful performance of the terms of the contract, in an amount equal to one hundred (100) percent of the estimated first year's contract and one hundred (100) percent for each succeeding year of the contract. It shall be the responsibility of the successful bidder to file the renewal bond annually on or before July 15<sup>th</sup> at the Office of the Superintendent of Schools.

## **Section 6 - Business Interruption and Protection**

- 6-1. If unforeseen circumstances, such as weather, cause cancellation or delayed opening of school, or the need for transportation services, and if the Contractor is notified of such postponement or cancellation in a timely manner, there shall be no payment to the Contractor for such day.
- 6-2. If unforeseen circumstances cause early dismissal from school, and if the Superintendent of School notified the Contractor, the Contractor shall perform such transportation duties as may be required.
- 6-3. Failure to perform under the contract shall be good and sufficient reason for excuse from contractual liability when such failure is due to strike, public enemy, fire, earthquake, flood, or other act of God beyond the control of the Contractor or of the Georgetown School Committee.
- 6-4. Repairs of vandalism experienced while transporting students or other authorized personnel under the terms of the contract shall be the financial responsibility of the Contractor.
- 6-5. If local or State funding is insufficient in any year due to voter disapproval of the School Department's operating budget or a change in the State school funding laws, the contract may be terminated at the end of the contract year without penalty to the Department.

## **Section 7 - Additional Route Requirements**

- 7-1. The Superintendent of Schools may add, and the Contractor shall accept, additional routes which shall be subject to all provisions of the contract.
- 7-2. Field Trips, athletic and special event (chorus, band, etc.) trips are conducted throughout the school year. Generally, field trips start and end during the regular school day. The dates for athletic and special event trips shall be provided to the Contractor not less than ten (10) days before each trip subject to change due to unforeseen circumstances.
- 7-3. Due to the fact that athletic and special event trips often depart at the same time when regular school day afternoon runs commence, the Contractor shall assure the availability of an adequate number of buses to provide transportation at all times for these trips.
- 7.4. Live Mileage shall refer only to miles with Georgetown School passengers on board.

Waiting Time means the time that a bus is required to be idle, unoccupied, or on a standby basis, while in the performance of the Contract, and more practically means the interval between the time of arrival at a scheduled

place or destination and the time of departure there from. "Waiting Time" has reference only to transportation furnished under the Contract in connection with extra-curricular activities/events and has no application to the transportation of students to and from school.

- There shall be no Minimum Trip Charges.

### **Section 8 - Schools/Schedules**

- 8-1. Students shall be transported to and from the following schools consistent with the following schedules,
- 8-2. Schedules are subject to change by action of the School Committee from time to time. These are the current hours that school is in session:

Penn Brook School, Elm Street:	8:40 AM. - 2:45 PM.
Georgetown Middle/High School:	7:30 AM. - 2:15 PM.

### **SERVICE REQUIREMENT:**

SEVEN (7) BUSES TO PROVIDE FIVE (5) MIDDLE/HIGH SCHOOL ROUTES AND TO PROVIDE SEVEN (7) ELEMENTARY ROUTES.

### **Section 9 - Routes and Adjustments**

- 9-1. In the designation and selection of routes, operations shall be limited to roads, streets, and highways with regards to School District eligibility.
- 9-2. Kindergarten students may ride on the same bus as the elementary students for the morning and afternoon runs.
- 9-3. The Contractor agrees to furnish bus transportation on every school day during each school year. State law now provides for a minimum of 180 days per year. Schedules and stops for pickup shall be reestablished by the School Committee from time to time.
- 9-4. The Superintendent of Schools or his designee shall have the exclusive right to make such revisions in the number of buses and in the number of routes required including increasing and decreasing the mileage of each route required to best suit the needs of the Department at any time before or during the duration of the contract. If an increased number of buses becomes necessary beyond those stipulated in these specifications, thirty (30) days notice shall be given to the Contractor by the School Committee. Upon receipt of said notice, should the Contractor be unable to provide the

additional buses within this notice period, the School Committee may contract elsewhere for those buses or use its own vehicles pending acquisition of the additional buses by the Contractor. The Contractor and School Committee shall negotiate, if applicable, any additional compensation due to the contractor because of an increase in the number of buses prior to the time the buses are placed in service.

- 9-5. If, as a result of revisions made by the Superintendent, the number of buses is reduced below the number required at the start of the contract year, thirty (30) days notice shall be given to the Contractor. Any reductions in the payments to the Contractor due to the reduction in the number of buses shall be negotiated prior to the implementation of the reduction.

**BID SUBMISSION FORM**

I/we hereby agree to furnish school transportation as specified in the Invitation to Bid published by the Georgetown School Committee for three school years from July 1, 2015 through June 30, 2018 according to the following price schedule (Bid will be awarded based on the lowest Total Bid Price over the 3 year contract):
