    - All Town Departments informed and briefed on use
    - "No School" process also in-place
  - Facility Upgrade
    - Live studio switcher was upgraded from analog to digital
    - Offices and storage space secured
    - Old live production equipment donated to Whittier HS
    - PC editing suite available

- Library storage upgraded
- Program Plan
  - Local Production
    - Plan to upgrade “live set” for better local production quality
    - Seeking volunteers to assist with ongoing studio production and editing
    - Seeking additional volunteers for program production
    - Desiring more completed and edited content submitted for airing
  - GMHS
    - Digital Video Club was renamed Digital Video Production Club
      - Club advisor stipend paid by GCTV
    - Seeking live shoot production volunteers through the club
      - Community service now a graduation requirement (for class of 2013)
    - 4 inexpensive video cameras purchased for DV class/club
    - Lighting was improved for concerts/events in GMHS auditorium (through volunteer assistance with maintenance, and purchase of alternate equipment - donated)
  - Publicity
    - With look of channel & new set to be constructed in early 2009, focus on channel promotion will be priority.
    - Planning an open house
    - Planning a Georgetown Photo Contest
    - Georgetown Record & GeorgetownFun.org to promote all above.
