Meetings Attended:

1. Selectmen’s meeting 3/11 attended by JW

Discussion:

1. License Update: JW presented the final version of the license to the Selectmen. The Selectmen approved the license by vote and will sign the license once assembled with all attachments. JW will get the final, complete, license from National Grid and forward it to the board for signatures.
2. ConCom update: SM will work with Howard Snyder to see what remains to be done for the RDA and will invite Steve P to the next meeting to discuss.
3. Easement Update: SM conferred with Chuck Keilty. He indicated that obtaining easements for the full trail would be considered “inappropriate” by the state at this point. Based on the potential delay before being able to construct the trail, the committee will look to get the required easements in order to open the trail for use under the license. JW will call Shawn Holland to determine what the schedule for the design project will be.
