

**TOWN OF GEORGETOWN, MA  
CULVERT AND ROADWAY UPGRADE AT  
WEST STREET OVER THE PARKER RIVER  
NOVEMBER 2012**

Issued by: Coughlin Environmental Services, LLC

**ADDENDUM No. 2**

Date of Issue: December 10, 2012 (Issued by EMAIL)

The following clarifications/revisions to the Plans are being made by the Town of Georgetown relative to the above referenced Bid.

- 1.) On Plan Sheet 7 of 18 (Typical Cross Section), Typical Roadway Section – West Street (at Culvert Crossing), there is a note that calls off “Prop. Steel Beam Guardrail (Powder Coat-Brown)”. This note should be replaced with the note “Prop. Steel Beam Guardrail (Both Sides)”. For guard rail specifications, please refer to Specification Section 34 71 21 (Highway Guard Rail).**
  
- 2.) On Plan Sheet 7 of 18 (Typical Cross Section), Typical Roadway Section – West Street (at Non-Culvert Locations), there is a note that calls off “Prop. Steel Beam Guardrail (Powder Coat-Brown) (Both Sides)”. This should be replaced with the note “Prop. Steel Beam Guardrail (Both Sides)”. For guard rail specifications, please refer to Specification Section 34 71 21 (Highway Guard Rail).**
