Discussion:

1. Administrative
  - a. Minutes approval.
  - b. KP Law, P.C. # 127383 approved for \$171.00.
2. Project Updates
  - a. Money for the north side path has been used by a North Andover project. North side is now pushed out one year.
  - b. CR has not heard back from Alan Benson, Town Manager, in Boxford. Unclear as to why we are waiting for Boxford. Per JC, part of the trail hasn't been finalized in Boxford. Therefore, the public hearing is being delayed. Katie may be able to get in touch with him. Linda Walsh, MADOT, may know the exact reason the state is waiting for Boxford. Katie to touch base with John Hendrickson to find out what is needed from Boxford.
  - c. Article 97 Land Disposition Policy. Moving from Open Space to rail trail. Katie will look into if this project falls under the intent of moving from Open Space to a Rail Trail. If this is deemed to be a change in use of land, it could extend the project another year. Town meeting needed to move this forward.
  - d. CR to work with Katie to gather list of appraisers.
  - e. CR went to accessor's office. They generated an updated list of abutters. Chris to compare with what he currently has. Records will also need to be verified with title search. Katie to assist.
  - f. CR reached out again to Steve Towle regarding the Park River bridge but has not heard back from him.
