Discussion:

1. Administrative
 - a. Minutes approval
 - b. Reminder that meetings starting in January will be on the 1st Wednesday of the month.
2. Project Updates
 - a. Tour deCure
 - i. CR contacted the conservation agent about the possibility of making temporary improvements to the “cow path bridge” so the tour riders could make use of more of the trail through Georgetown.
 - ii. The Conservation Commission has not met on the subject but an initial response is that they will not permit the improvements.
 - iii. IDB pointed out that if the tour riders are able to get across the bridge, since it will be spring when the race takes place, the condition of “the cut” further north is likely to be very muddy and they would need to use the bypass over the hill rather than go through the mud. This situation should be pointed out to race organizers.
 - iv. JW and CR will attend the ConCom meeting on 12/15 to take the case directly to the full commission.
 - b. Trail video
 - i. Lyn Lutrzykowski has been moving forward with the filming for the video about the trail to be shown on community TV.
 - ii. BH has given his interview and CR is scheduled for December 9th.
 - iii. JC has contacted Lyn and IDB will contact her.
 - iv. CR will contact JW to check on his status.
3. Member updates
