8. Discuss comments made regarding the Conservation Commission at the January 8, 2024 Board of Selectmen's meeting. There were comments made about the conservation commission and negative letters referenced in regard to the conservation commission. The Conservation Commission would like to view these letters in efforts to address and repair any negative views of the commission. R. Bancroft made a motion to have the Conservation Director draft a letter on behalf of the Conservation Commission to the BOS asking for the letters – seconded by C. Candia. Roll call vote – motion approved.
9. Additional meeting minutes of October 20, 2023; November 7, 2023 and November 16, 2023 were addressed at the beginning of the meeting

10. Items not Reasonably Anticipated by the Chair 48 Hours in Advance of the Meeting:

The Chair referenced a letter from the Conservation Commission to the Board of Selectmen dated, December 28, 2023, that was not voted on nor approved by the entire Conservation Commission. The letter recommended that the BOS vote to appoint Laura Repplier to the Conservation Commission and not to appoint Steven Epstein to the open seat on the Conservation Commission. The Chair noted that this was a mistake, an error and will not be happening again – any suggestions or recommendations from the board will in the future be made in public at a regularly posted meeting. It was suggested by R. Bancroft that we draft a procedure for suggestions for appointing positions to the Conservation Commission in the future.

There was a comment from Kevin Wood asking the commission who were the members that suggested the Conservation Director write this email. I. Wye and L. Umberger confirmed it was not either of them; the remaining board had no comments.

Close Meeting:

R. Bancroft made a motion to close the meeting; seconded by L. Umberger – roll call vote all approve – motion to close carries
