Hay-scented Fern

Dennstaedtia punctilobula

Profile:

- Perennial, deciduous
- Full sun to full shade
- Groundcover, will naturalize, tolerates dry shade
- Scape height: 1.5 - 3 or 4 feet
- Green foliage, fall color

Kousa Dogwood

Cornus kousa

(White- and Pink-blooming varieties)

Profile:

- Tree, Japanese origin, deciduous
- Full sun to partial shade
- Showy white or pink blooms 3-4", fall leaf color
- Scape height: 15 - 25 feet
- Bloom time: late spring / early summer

Virginia Creeper

Parthenocissus quinquefolia

Profile:

- Vine, perennial, ground cover, naturalize
- Full sun to partial/dappled shade
- Broadleaf, palmate; showy, red fall leaf color
- Scape height: 50 ft or greater
- Bloom time: early summer, small white flower

Yew / English Yew

Taxus baccata 'Repandens'

Profile:

- Small-medium sized evergreen shrub/tree
- Full sun to partial shade; drought tolerant
- Needle-like leaves, evergreen
- Scape height: 3 - 25 ft, depending on shaping
- Showy red berries
