**Minutes Approval:** November 28, 2017 unanimously approved as amended

**Correspondence:**

**Meetings Attended:**

**Discussion:**

1. Administrative
  - a. Minutes approval
  - b. Stantec invoices 7, 8 & 9 for a total of \$7,270.66 was unanimously approved.
  - c. Staples bill for copying of valuation maps in the amount of \$43.19 reimbursable to Chris Roop was unanimously approved.
2. Project Updates
  - a. Additional work is being done on finalizing the route through the center of town.
  - b. The title search on the Southern portion of the trail has been completed and is being reviewed by counsel.
  - c. K&P has requested a warrant article at the spring Town Meeting. K&P should contact Mike Farrell to secure.
  - d. Boxford and Byfield have been contacted to get updates on their MOUs and to get them to K&P but have not responded.
  - e. As previously noted, the “brownfield” property on Moulton St is able to be developed but is still privately owned. The Economic Development Committee is taking the lead on any development. The RecPath committee will provide the EDC with a statement advising them that we would like to make use of, at least, part of the property for the trail and parking.

**Meeting Adjourned:** 8:15 pm

**Scheduled Committee Meetings (2nd fl. meeting room), 7PM** 2018: 2/27, 3/27, 4/24, 5/22, 6/26
