#### Proposed Action(s):

606522 - ANDOVER- LAWRENCE- BRIDGE REHABILITATION, A-09-036, I-495 OVER ST 28 (SB), A-09-037, I-495 OVER B&M AND MBTA, A-09-041, I-495 OVER ST 28 (NB): This project was fully paid for in FFY2023, but the action occurred after the release of the FFY2024-2024 TIP. The proposed action reconciles the TIP with the previous payment schedule. No further funding is necessary for this project.

605304 - HAVERHILL- BRIDGE REPLACEMENT, H-12-007 & H-12-025, BRIDGE STREET (SR 125) OVER THE MERRIMACK RIVER AND THE ABANDONED B&M RR (PROPOSED BIKEWAY): This project is more commonly known as the Basiliere Bridge. The project's advertisement schedule will be shifted two months back. As this shift occurs between federal fiscal years, the project's funding will consequently shift out of FFY24. The proposed action will adjust programming to accommodate the project's schedule.

609466 - HAVERHILL- METHUEN- BRIDGE REPLACEMENT, H-12-040=M-17-030, I-495 (NB & SB) OVER MERRIMACK RIVER AND M-17-031, I-495 (NB & SB) OVER ROUTE 110 AND H-12-056, INDUSTRIAL AVENUE (EB & WB) OVER I-495: This project requires a cost increase of approximately \$87 million dollars. Due to the need to remain in fiscal constraint with federal aid program limitations, the funding programs for this project are proposed to be adjusted.

607541 - GEORGETOWN- BOXFORD- BORDER TO BOSTON TRAIL, FROM GEORGETOWN ROAD TO WEST MAIN STREET (ROUTE 97): This project's readiness determination has shifted, and as such, programming must be shifted from FFY24 to outyears. The proposed action programs funding in FFY25 instead of FFY24.

610924 - LAWRENCE- ROADWAY RECONSTRUCTION ON AMESBURY STREET: Due to the expiration of Coronavirus Response and Relief Supplemental Appropriations Act of 2021 (CRRSA) funding, MassDOT has converted the funding program for this project to the Surface Transportation Block Grant program. This proposed action will accept this conversion.
