• Works directly with youth leading and overseeing activities on a daily basis
• Plans hands on activities that appeal to a variety and range of youth
• Plans and executes activities with the health, wellness and safety of students in mind
• Responsible for supporting the youth in maintaining an organized and clean youth center
• Initiates and designs ways to build positive youth development in youth at the center
• Builds positive relationships and provides support to youth when needed
• Organizes and carries out special events for youth
• Develops programming with the Lead Project Coordinator
• Implements and oversees activities and events for teenage youth September through June with some summer event.
• Responsible for the maintenance of materials and equipment
• Assists the Lead Project Coordinator with meeting department programming needs.
• Reports directly to the Lead Program Coordinator

QUALIFICATIONS:
• Two years experience working with middle school youth
• Organized
• Adept at building positive relationships with youth
• Takes initiative in developing programming activities for youth
• CORI check to be conducted.
