WHICH DRUGS ARE COVERED?

You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our Document Portal at: rxmedicareplans.memberdoc.com. Or, call us and we will send you a copy of the formulary.

HOW WILL I DETERMINE MY DRUG COSTS?

Our plan groups each medication into one of 3 “tiers”. You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug’s tier, your out-of-pocket prescription costs to date and what stage of the benefit you have reached. Later in this document we discuss the benefit stages in your Medicare prescription drug coverage that occur: Initial Coverage, Coverage Gap, and Catastrophic Coverage. For more information about formulary tiers and stages of the benefit, please see the plan’s formulary and the Evidence of Coverage on our Document Portal at: rxmedicareplans.memberdoc.com, or contact Customer Care at the number listed above.

WHICH PHARMACIES CAN I USE?

We have a network of pharmacies and you must generally use these pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan’s pharmacy directory at our Document Portal at: rxmedicareplans.memberdoc.com. Or, call us and we will send you a copy of the pharmacy directory.

Certain prescription drugs will have maximum quantity limits.

Your provider must get prior authorization from Blue MedicareRx for certain prescription drugs.

MEDICARE COVERAGE GAP DISCOUNT PROGRAM

The Medicare Coverage Gap Discount Program provides manufacturer discounts on brand name drugs to Part D enrollees who have reached year-to-date “total drug costs” of \$5,030 and are not already receiving “Extra Help.”

If you have reached year-to-date “total drug costs” of \$5,030, your former employer provides supplemental coverage that will keep your copayments and/or coinsurance in the Coverage Gap the same as what you pay in the Initial Coverage Level. Both the amount you pay and the amount discounted by the manufacturer count toward your out-of-pocket costs and move you through the Coverage Gap. The amount discounted by the manufacturer will count toward your out-of-pocket costs as if you had paid this amount. Your Explanation of Benefits (EOB) will show any discounted amount provided.

the United States and its territories. For examples of what would qualify as special circumstances, refer to the Evidence of Coverage (EOC). Your copayment and/or coinsurance at out-of-network pharmacies is the same as at network pharmacies and depends on whether you purchase a Generic, Preferred Brand, Specialty or Non-Preferred drug.

Medicare considers drugs which cost more than \$950 for a one month supply to be specialty drugs.

Once your out-of-pocket costs reach \$8,000, you will move to the Catastrophic phase and the Medicare Coverage Gap Discount Program will no longer be applicable.

If you have any questions about the availability of discounts for the drugs you are taking or about the Medicare Coverage Gap Discount Program in general, please contact Customer Care.
