**Georgetown Council on Aging and Georgetown Senior Community Center Temporary
Closure due to Public Health Emergency Level 3**

As a result of the President's declaration of a National Emergency, the Governor's declaration of a Statewide Emergency, and the Town's order to move to a Public Health Emergency Level 3 protocol, the Georgetown Council on Aging and the Georgetown Senior Community Center (located in the left wing of the Perley School) are closed and will remain closed until further notice.

The Georgetown Council on Aging and staff at the Georgetown Senior Community Center remain committed to serving older adults and their families in Georgetown.

The Georgetown Council on Aging staff members are working remotely from home. With remote access to voice mail and email messages, staff members are able to continue some services such as reassurance calls, provide deliveries from the COA food pantry, essential shopping assistance (groceries, pharmacies, etc.), lend durable medical equipment as well as provide information, resources and referrals.

To contact the Georgetown Council on Aging and Georgetown Senior Community Center, please call 978-352-5726 or email cfiorello@georgetownma.gov

Please continue to take care and be well!
