

MEETING MINUTES

Board of Registrars Meeting

Office of the Town Clerk

November 21, 2022

9 AM

Members present: Richard Boucher, Paul Rondeau, Henry Wolf
Town Clerk Kerri McManus, Assistant Town Clerk Marie Felzani

Public present: Leonard Mirra, Amy Smith

Meeting was called to order by Town Clerk Kerri McManus at 9:02 AM.

Kerri McManus read off each UOCAVA (9) and Provisional (1) voter name 1 precinct at a time. Marie Felzani repeated the names and checked off each voter on the voter street listing. Kerri McManus then shuffled the ballots (for anonymity purposes) for each precinct and read them allowed, while Marie Felzani kept tally of the votes. They continued this procedure for each of the 3 precincts. Final tallies were counted and announced. 10 votes total in all. All ballots were sealed in a manilla envelope, per precinct, and the seals were signed by Kerri McManus and Marie Felzani.

Kerri McManus then brought up the subject of having 1 stamp with all 3 registrars names on it in order to verify Nomination Papers, Petition Papers, etc. Richard Boucher raised concern over this given the current climate around elections. Henry Wolf shared that sentiment and it was decided that they would not have a unified stamp at this time, but continue to come in and use their individual stamps as necessary.

Kerri McManus asked for a motion of adjournment. Paul Rondeau motioned to adjourn, Richard Boucher seconded the motion and the meeting was adjourned at 9:34am.
