Chairman Jeff Moore opened the Hearing at 7:55 pm. Julie gave the Board a letter from Attorney Nancy McCann. Chair J. Moore read the letter from the applicant's attorney, Nancy McCann, dated December 23, 2019, requesting continuance to March 10, 2020. No discussion or testimony will be taken.

**Chairman J. Moore read the letter into record:**

**Dear Board Members:** As we discussed during the initial hearing on this application, it is appropriate to have this hearing conducted in conjunction with the technical Site Plan review by the Planning Board so that additional engineering information is available. The Site Plan Approval Application has been filed with the Planning Board and peer review has begun. Unfortunately due to the holidays and the peer review schedule, we will not have that process as far along as we had hoped before your January 7 meeting. Therefore, based on this updated information relative to the peer review, on behalf of the Applicant, G. Mello Disposal Corp., I request that the hearing on the above-referenced matter be continued to the Board of Appeal's meeting of March 10, 2020.

**Motion** by P. Shilhan to allow applicant G. Mello for Map 15, Lot 46 Carleton Drive to continue to **3/10/2020**, seconded by S. Freeman – no discussion; vote unanimous. (See attached letter)

*Approved at 3-10-20*

Therefore, based on this information relative to the peer review, on behalf of the Applicant, G. Mello Disposal Corp., I **request that the hearing on the above-referenced matter be continued to the Board of Appeal's meeting of March 10, 2020.**

Thank you for your consideration.
